Isn't it time for us to give ourselves away for the cause of Christ here at home and across the world?

Church on the Street

Connecting Church and Street to Reach People

"Church on the Street" is every 4th Sunday of each month. This is a way God is allowing us to minister to those in our "Jerusalem".

We meet at JayLous Restaurant parking lot (corner of Industrial Blvd & Pine St. in Gainesville) rain or shine! This is an outreach to the displaced and needy people in the Gainesville area. One man accepted Christ at the February church service!! Praise Him!

It is a great time to share and experience the love of Christ that crosses all boundaries (color, economic status, *etc.*)! Its as it should be...we are all the same at the foot of the cross, but sometimes we get side tracked in this thing called life and begin to think some people are above others. **Praise God He always sees everyone the same; and we should do the same!** We serve these precious folks biscuits (thank you to the provider of the biscuits...we know he doesn't want any glory, but we pray God blesses him abundantly for rising early to prepare these delicious biscuits), coffee, soft drinks, donuts & honey buns! We always have lots of goodies to share as well, donated by many of you (backpacks, coats, sweaters, sleeping bags, blankets, *etc.*). There are also lots of individual needs (bikes, help with electric bills, fees for shelters they are staying at, *etc.*) that your financial support is helping with! **Thanks for sharing as God has led you. Thats what it means to be a follower of Christ!**

Last week one of our regulars said "you know just yesterday when I was turned down again for another job I thought of just giving up on God.... but, today He has shown me I can go on with Him no matter what my circumstances are." We reminded him that God's always right on time.....it's not always our timing, but HIS and it is perfect! **Come and join us in being HIS hands and feet!**

"I tell you the truth, what ever you did for one of the least of these brothers of mine, you did it for Me" Matthew 25:40

Our Heart to Yours

Just feel God urging me to challenge each of you to read Luke 14:26-33. This is what it really means to be a disciple of Christ and truly follow Him with our life. Many believers don't

"If you judge people,
you will have no time to
love them."

Mother Teresa

think He desires that for us today...but, of course He does. His word never changes. Jesus is simply reminding us we must put Him first and love Him more than anything in this life. If we truly believe that, we can't possibly sit comfortably in our homes and churches and simply do nothing for the cause of Christ and His people all over the world! Let His word sink in and lets get busy loving like a hurricane!!

We are grateful for your friendship and partnership in the ministry. And, we are humbled by your continued prayerful, physical and financial support. We are always speechless that He continues to call you to partner with us on this journey to GO TELL!! Thank you for giving, going and praying!!!

We daily pray for each of you; so please let us know if you have any specific needs we can pray for.

May God bless you and your family this Easter!
May each of us never take for granted the opportunity to serve and share a RISEN SAVIOR to a lost and oh so needy world! Our only hope is in Him!
