25 people have committed to this team!

'Net India' is partnering with 'Matt Papa Band' as we travel to NE India to assist with the construction of an Orphanage/Ministry Center! Many of the team will also work in medical camps in the villages serving these precious Indians, some who have never had any medical care! God doesn't always call the equipped, HE equips the called! Pray for this team as we prepare and depart August 4th.

Financial help and medical supplies are a huge need for this trip!

Hope for the Homeless in Hall County

We had our first baptism and 6 month celebration for "Church on the Street" the 4th Sunday in May @ the lake!

Very sweet time as we sang, worshiped, witnessed baptisms, and ate hamburgers and hotdogs. We rented vans to pick up all our regular attendees and new friends to join us! We also had some of you visiting and helping. Thank you so much...there were about 80 people there!! WE had one man accept Christ at the service!!We are humbled that

God has called us to take His Gospel to the homeless/displaced people right here in our city when we are in the States. In the past 6 months we have seen many accept Christ as their savior, return to their home towns or States, find housing, find jobs, etc...lots of sweet stories. Thanks for being a part! Your always welcome to come and join us@ 'Church on the Street' every 4th Sunday in each month (even if we are in India, someone will be there for us)@ 9:30 @ Jay Lou's Restaurant Parking

Lot(corner of Industrial Blvd. & Pine St.) Rain or Shine!

"If anyone has material possessions and sees his brother in need but has no pity on him, how can the love of God be in him? Dear children, let us not love with words or tongue but with actions and in truth. This then is how we know that we belong to the truth"

1 John 3:17-19a

From our Heart to Yours!

Thanks for all you do for the ministry.....praying, going and giving! We could never begin to tell you what your support means to us! We pray for you daily. Please email us any specific prayer request you may have. We count it an honor to lift you up each day.

On a special note, please pray for the pastors and Indian people we partner with in India. During our summer months it is monsoon season in India with heavy rains creating many water born diseases and severe flooding along with extreme heat which accounts for many lost lives. Indians are not as fortunate as we in the USA with government help and assistance. The living is extremely difficult and this time of year just heightens that. Thanks for praying with us!

"My name will be great among the nations, from the rising to

the setting of the sun. In every place incense and pure offerings will be brought to my name, because my name will be great among the nations," says the LORD Almighty."
Malachi 1:11

Our only hope is in Him!
